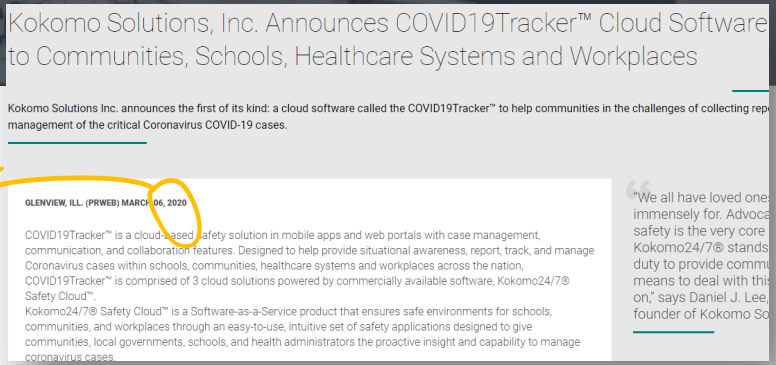
First in the market



Kokomo Solutions, Inc. Announces COVID19Tracker™ Cloud Software to Communities, Schools, Healthcare Systems and Workplaces

Kokomo Solutions Inc. announces the first of its kind: a cloud software called the COVID19Tracker™ to help communities in the challenges of collecting rep management of the critical Coronavirus COVID-19 cases.

GLENVIEW, ILL. (PRWEB) MARCH 06, 2020

COVID19Tracker™ is a cloud-based safety solution in mobile apps and web portals with case management, communication, and collaboration features. Designed to help provide situational awareness, report, track, and manage Coronavirus cases within schools, communities, healthcare systems and workplaces across the nation, COVID19Tracker™ is comprised of 3 cloud solutions powered by commercially available software, Kokomo24/7® Safety Cloud™.
Kokomo24/7® Safety Cloud™ is a Software-as-a-Service product that ensures safe environments for schools, communities, and workplaces through an easy-to-use, intuitive set of safety applications designed to give communities, local governments, schools, and health administrators the proactive insight and capability to manage coronavirus cases.

"We all have loved one immensely for. Advoca safety is the very core Kokomo24/7® stands duty to provide commu means to deal with thi on," says Daniel J. Lee, founder of Kokomo So
