Your rights in the Software are limited to those expressly granted in this Section 1. Your rights in the Software do not cover any broadcast or media use without execution of a separate agreement with Google allowing you to do so. The geographical information made available for display using the Software is provided under a nonexclusive, non-transferable license for printing and use only by you. Any animations, movies, prints or screen outputs generated with the Software are for your use only. You may not use the Google Software in any manner that could damage, disable, overburden, or impair Google's services (e.g., you may not use the Google Software in an automated manner), nor may you use Software in any manner that could interfere with any other party's use and enjoyment of Google's services.
