

SUPPORT SERVICES ADDENDUM

This Support Services Addendum (“Addendum”) is incorporated by reference into and made a part of the applicable End User License Agreement between LogRhythm and the Customer set forth in such agreement (“Agreement”). This Addendum sets forth certain rights, duties, and obligations of the parties with respect to software support services provided or made available to Customer by LogRhythm in connection with the Software licensed or remotely accessed by Customer under the Agreement. This Addendum shall supplement (and not supersede) the Agreement and shall take precedence solely to the extent of any conflict between this Addendum and the Agreement. All capitalized terms used and not expressly defined in this Addendum shall have the meanings given to them in the Agreement.

Subject to the terms and conditions of this Agreement LogRhythm shall provide Support Services for Products as defined below.

1. DEFINITIONS.

Updates shall not include any option or future product which LogRhythm licenses separately from the existing Product for an additional fee.

1.10 “Upgrade Release” means subsequent major releases of the Software that LogRhythm generally makes available for Software licensees at no additional license fee to Customers provided the customers

are under a current Support Services Agreement with LogRhythm. The upgrade/major version is indicated by the first number in the software version name.

2. SERVICES PROVIDED.

2.1 Technical Support. LogRhythm shall provide technical support to the designated users during the Business Day. Support Services are provided in English and shall be provided remotely at LogRhythm's principal place of business unless mutually agreed to by the parties. A Support Case response may include the following:

- (a) Assistance in identifying and verifying the causes of suspected Errors in the Software;
- (b) Advice on bypassing identified Errors in the Software, if reasonably possible; and
- (c) Assistance in troubleshooting and identifying LogRhythm Hardware-related problems.

2.2 Target Response Times. LogRhythm shall respond to new Support Cases within the following period following LogRhythm receipt of the Support Case from Customer:

11x5 Standard Support		
Severity	Time	ITR (Hours)
High	11x5	4
Medium	11x5	4
Low	11x5	4
24x7 Standard Support		
Severity	Time	ITR (Hours)
High	24X7	4
Medium	11x5	4
Low	11x5	4

2.3 Ticket Severity: LogRhythm classifies tickets per the following categories:

<i>High</i> – System is severely degraded such that a major component or feature is inaccessible or inoperable.
<i>Medium</i> – A System component or feature is degraded.
<i>Low</i> – System is functional with a minor defect or Customer has general question or is requesting configuration change information.

2.4 LogRhythm Community Site. LogRhythm maintains a support site containing product manuals and additional support related information (e.g., FAQ's, Knowledge Base). Subject to the payment of Support Services Fees, Customer shall be provided 24/7 access to the Community Site.

2.5 Support Cases. Each Support Case will be assigned a case number. Customer must provide the number when providing communications to LogRhythm regarding the Support Case.

2.6 Exceptions. LogRhythm shall have no responsibility under this Agreement to fix any Errors arising out of or related to the following causes: (a) Customer's modification or combination of the Supported Program (in whole or in part); (b) use of the Supported Program in conflict with the Documentation; or (c) Errors related to non-LogRhythm provided Hardware. Any corrections performed by LogRhythm for such Errors shall be made, in LogRhythm's reasonable discretion, at LogRhythm's then-current time and material charges.

3. SOFTWARE SUPPORT. Subject to the payment of the Support Services Fees:

3.1 Updates. Customer shall be entitled to Updates for the Supported Programs as and when developed for general release in LogRhythm's sole discretion. Each Update will consist of a set of programs and files made available from LogRhythm's Customer Portal and shall be accompanied by Documentation adequate to inform Customer of the problems resolved and any significant operational differences resulting from such Update.

3.2 Upgrades. Customer shall be entitled to Upgrades for the Supported Programs at no additional cost while a Support Services contract is in effect. It may be necessary for Customer to upgrade the LogRhythm provided Hardware in order to utilize any such Upgrades.

3.3 Maintenance Release. Customer shall be entitled to Maintenance Releases for the Supported Programs at no additional cost while a Support Services contract is in effect.

3.4 Knowledge Base Updates. Customer shall be entitled to knowledge base updates at no additional cost, provided they are under a current Support Services agreement.

3.5 Version Support. LogRhythm shall be responsible for providing Support Services for the latest maintenance release version of all major and minor releases with a General Availability release date within the prior 24 months. End-of-Life Support for third party optional software components are in accordance with the End-of-Life policy for each such component as announced. LogRhythm reserves the right to modify its Support Services offering at any time, by providing notice to its customers, which may include notice via publication on LogRhythm's Support Services portal, provided that such Support Services modifications shall not take effect until the commencement of the next Support Services renewal term as described in Section 5.1 of the Agreement.

4. HARDWARE SUPPORT. Subject to the payment of the Support Services Fees Customer will be entitled to the following related to Hardware:

4.1 Hardware Support Services. In addition to the technical Support Services described above, LogRhythm provides Hardware maintenance and service, parts, with related labor services to repair or replace defect(s) in workmanship pursuant to and occurring within the Support Services term applicable to Customer's Hardware product(s) ("**Qualified Incident(s)**"). Hardware Support Services are only available on Appliances that are under a current Support agreement with LogRhythm.

(a) LogRhythm provides Hardware Support Services with assistance from its hardware OEM provider, Dell global services. Support Services are available for Hardware for up to five (5) years from the date of delivery provided Customer remains current on a Support Services plan. Hardware Support Services also include:

(i) Onsite dispatch of a technician and/or service parts to Customer's business location for repair and resolution, if appropriate and if on-site services are available in Customer's region.

(ii) With Customer's consent, remote troubleshooting sessions, when available, where the Hardware manufacturers technician conducts a troubleshooting session in Customers network.

(iii) Onsite troubleshooting assistance when LogRhythm has evaluated a problem and determined that field support is necessary for diagnostics and resolution and if on-site services are available in Customer's region.

(b) Hardware shipped to Customer will support the release of the Software installed on the Hardware at time of delivery. If a subsequent Software Upgrade requires an upgrade to the Hardware, Customer may choose to either (i) upgrade the Hardware at its cost and install the subsequent Software Upgrade or (ii) receive Support Services on their current Hardware and Software through the support life cycle of the applicable Software and Hardware.

4.2 Pre-Replacement of Defective Hardware. Replacements for defective Hardware provided to Customer under this Agreement are sent on a pre-replacement basis when possible. Customer shall have ten (10) business days to return the defective Hardware and all components including hard drives to LogRhythm. If Customer fails to return the defective Hardware to LogRhythm, Customer agrees to pay the costs charged by the OEM for the replacement Hardware. If the replacement of a complete Appliance is

required, the replacement Appliance shall be shipped with Software unless an alternative course of action is mutually agreed upon by LogRhythm and Customer.

5. CUSTOMER RESPONSIBILITIES.

5.1 Supervision and Management. Customer is responsible for undertaking the proper supervision, control and management of its use of the Supported Programs, including, but not limited to: (a) assuring proper Supported Environment configuration, Supported Programs installation and operating methods; and (b) following industry standard procedures for the security of data, accuracy of input and output, and back-up plans, including restart and recovery in the event of hardware or software error or malfunction. Customer must purchase identical Support Services for Products and may not select different Support Services options to cover different Product installations. Unless Customer is upgrading the Products, Customer agrees that it will maintain Support Services on all Products licensed or purchased from LogRhythm.

5.2 Training. Customer is responsible for ensuring that all appropriate personnel are trained and familiar with the operation and use of the Supported Programs and associated equipment.

5.3 Designated Users. Customer shall designate a reasonable number of individuals to serve as the designated users with LogRhythm for the Support Services provided hereunder. To receive notification of any new Updates or Upgrades Releases available from LogRhythm Customer must subscribe to the LogRhythm user forums.

5.4 Access to Personnel and Equipment. Customer shall provide LogRhythm with access to Customer's personnel and, at Customer's discretion, its equipment. LogRhythm shall, to the best of its ability, provide Support Services to Customer in accordance with Customer's internal security and/or network access policies. If Customer requests Support Services for an Error that requires remote access and Customer is unable to provide such access, then Customer may elect to pay LogRhythm additional Support Services Fees and Expenses incurred for onsite Support Services. If Customer does not wish to pay for such onsite Support Services, LogRhythm's obligation to provide any Resolution for the Error shall be excused.

5.5 Customer Introduced Third-Party Software. Customer may use Hardware for any lawful purpose at Customer's discretion and may replace the LogRhythm Software or install third party software onto Hardware in addition to the LogRhythm Software. It is recommended that Customer contact LogRhythm before installing any third party software on the Hardware for use concurrently with the LogRhythm Software and in such an instance, Customer acknowledges that: (a) LogRhythm is not responsible for the functionality of any such third party software; (b) LogRhythm reserves the right to require the removal of any and all such software when addressing support issues with the LogRhythm Software; (c) any such installation may negatively impact the performance, reliability and/or security of the LogRhythm Software; and (d) the LogRhythm Software may not perform as intended or in accordance with the LogRhythm Documentation.
