### Simplify and Streamline Procurement and Save on Oracle Technology and Services

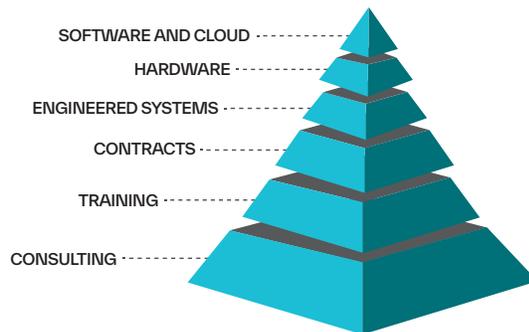

As an Oracle partner for over 30 years, TD SYNnex Public Sector combines comprehensive knowledge of the Oracle product portfolio with license acquisition expertise to deliver mission-critical IT solutions to the public sector. Featuring specializations in key Oracle technologies, such as Cloud and Exadata, we are your premier go-to partner for all Oracle products and services.

TD SYNnex Public Sector is proud to provide our second comprehensive Oracle procurement vehicle for the OMNIA Partners agencies. Our contract offers a one-stop-shop with a full selection of Oracle products including Software, Hardware, Engineered Systems, Cloud Services, and associated technical services. Participating customers can work with a dedicated TD SYNnex Public Sector licensing specialist across all products areas, which simplifies and streamlines the product selection and procurement process.

#### Available to Participating OMNIA Partners Agencies:
