

DEPARTMENT OF DEFENSE

DOD Enterprise Software Initiatives

The Department of Defense (DOD) Enterprise Software Initiative (ESI) program is designed to offer DOD customers with discounts based off of Government Wide Acquisition Contracts (GWACs) (i.e. GSA or NASA SEWP) pricing through negotiated Blanket Purchase Agreements (BPA) or Agency Catalog (AC). All awarded ESI BPA's are the DOD preferred method of IT procurement in accordance with the Defense Federal Acquisition Regulation Supplement (DFARS) Section 208.74.
