A. Agreement Definitions

“You” and “your” refers to the legal entity that has executed this agreement (“agreement”) and ordered Oracle programs and/or hardware and/or services from DLT Solutions (“DLT”). The term “ancillary programs” refers to third party materials specified in the program documentation which may only be used for the purposes of installing or operating the programs with which the ancillary programs are delivered. The term “program documentation” refers to the program user manual and program installation manuals. The term “programs” refers to the software products owned by Oracle and distributed by DLT which you have ordered, program documentation, and any program updates acquired through technical support. The term “services” refers to technical support, education, hosted/outsourcing services, consulting or other services which you have ordered.

B. Applicability of Agreement

This agreement is valid for the order to which this agreement accompanies.

C. Rights Granted

Upon Oracle’s acceptance of DLT’s order, you have the non-transferable, non-assignable, royalty free perpetual (unless otherwise specified in your purchase order), limited right to use the programs and receive any services you ordered solely for your internal business operations and subject to the terms of this agreement, including the license definitions and rules set forth in the program documentation. You may allow your agents and contractors (including, without limitation, outsourcers) to use the programs for the purposes set forth in the end user license agreement, subject to the terms of such agreement, you are responsible for their compliance with this agreement in such use. For programs that are specifically designed to allow your customers and suppliers to interact with you in the furtherance of your internal business operations, such use shall be allowed under this agreement. Oracle’s license definitions and rules are subject to change and are available at <http://partner.oracle.com> (log in, select Membership / Agreements & Policies). Oracle’s license definitions and rules are hereby incorporated by reference into this agreement.

Services are provided based on Oracle’s policies for the applicable services ordered, which are subject to change, and the specific policies applicable to you, and how to access them, will be specified on your order (Except technical support services which are as specified in section H of this agreement). Upon payment for services, you will have a perpetual, non-exclusive, non-assignable, royalty free license to use for your internal business operations anything developed by Oracle and delivered to you under this agreement; however, certain deliverables may be subject to additional license terms.

The services provided under this agreement may be related to your license to use programs which you acquire under a separate order. The agreement referenced in that order shall govern your use of such programs. Any services acquired from DLT or Oracle are bid separately from such program licenses, and you may acquire either services or such program licenses without acquiring the other.

Oracle is a third party beneficiary of this agreement.

D. Ownership and Restrictions

Oracle or its licensor retains all ownership in the intellectual property rights to the programs, hardware, operating system and integrated software. Furthermore, Oracle retains all ownership and intellectual property rights to anything developed by Oracle and delivered to you under this agreement resulting from the services. Use of the operating system delivered with the hardware is limited to the terms of the license delivered with the hardware and only as incorporated in, and as part, of the hardware. Use of the integrated software, which is defined as software embedded in the hardware that is essential to hardware functionality

(e.g., firmware) is limited to your internal business operations subject to the terms of the end user agreement and only as incorporated in, and as part, of the hardware.

Third party technology that may be appropriate or necessary for use with some Oracle programs and/or hardware is specified in the program documentation and/or hardware documentation and that such third party technology is licensed to you under the terms of the third party technology license agreement specified in the program documentation and/or hardware documentation and not under the terms of the end user agreement.

Hardware and integrated software are not specifically designed, manufactured, or intended for use as parts, components, or assemblies for the planning, construction, maintenance, or operation of a nuclear facility and prohibit use of the hardware and/or integrated software for these purposes.

Some programs may include source code that Oracle may provide as part of its standard shipment of such programs, which source code shall be governed by the terms of the end user agreement.

You may not:

- use of the programs for rental, timesharing, subscription service, hosting, or outsourcing;
- remove or modify any program or hardware markings or any notice of Oracle's or its licensors' proprietary rights;
- make the programs, operating system, integrated software available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific program license);
- transfer title to the programs, operating system and/or integrated software from you to any other party;
- reverse engineer (unless required by law for interoperability), disassemble or decompile the programs (the foregoing prohibition includes but is not limited to review of data structures or similar material produced by programs), operating system and/or integrated software and prohibit duplication of the programs, operating system and/or integrated software except for a sufficient number of copies for your licensed use and one copy of each program media.
- publish any results of benchmark tests run on the programs and/or hardware without the prior written consent of Oracle; and
- assign, give, or transfer the programs, operating system, integrated software and/or any services ordered or an interest in them to another individual or entity (in the event you grant a security interest in the programs, operating system, integrated software and/or any services, the secured party has no right to use or transfer the programs, operating system, integrated software and/or any services).

E. Warranties, Disclaimers and Exclusive Remedies

The provisions of this section do not apply to third party programs. Oracle warrants that a program licensed to you will operate in all material respects as described in the applicable program documentation for one year after delivery (i.e. via physical shipment or electronic download. You must notify Oracle of any program warranty deficiency within one year after delivery. Oracle also warrants that services ordered will be provided in a professional manner consistent with industry standards. You must notify Oracle of any services warranty deficiencies within 90 days from performance of the services described in your purchase order.

If you purchase Oracle hardware, the standard Oracle hardware warranty in effect at the time of purchase will apply. This warranty information is available at <http://www.oracle.com/support/policies.html>.

ORACLE DOES NOT GUARANTEE THAT THE PROGRAMS WILL PERFORM ERROR-FREE OR UNINTERRUPTED OR THAT ORACLE WILL CORRECT ALL PROGRAM ERRORS.

FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY, AND ORACLE'S ENTIRE LIABILITY, SHALL BE: (A) THE CORRECTION OF PROGRAM ERRORS THAT CAUSE BREACH OF THE WARRANTY, OR IF ORACLE CANNOT SUBSTANTIALLY CORRECT SUCH BREACH IN A COMMERCIALY REASONABLE MANNER, YOU MAY END YOUR PROGRAM LICENSE AND RECOVER THE FEES PAID

FOR THE PROGRAM LICENSE AND ANY UNUSED, PREPAID TECHNICAL SUPPORT FEES YOU HAVE PAID FOR THE PROGRAM LICENSE; OR (B) THE REPERFORMANCE OF THE DEFICIENT SERVICES, OR IF ORACLE CANNOT SUBSTANTIALLY CORRECT A BREACH IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THE RELEVANT SERVICES AND RECOVER THE FEES PAID FOR THE DEFICIENT SERVICES.

TO THE EXTENT PERMITTED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

F. Trial Programs

You may order trial programs, or Oracle may include additional programs with your order which you may use for trial, non-production purposes only. You may not use the trial programs to provide or attend third party training on the content and/or functionality of the programs. You have 30 days from the delivery date to evaluate these programs. If you decide to use any of these programs after the 30 day trial period, you must obtain a license for such programs from Oracle or DLT. If you decide not to obtain a license for any program after the 30 day trial period, you will cease using and will delete any such programs from your computer systems. Programs licensed for trial purposes are provided “as is” and Oracle does not provide technical support or offer any warranties for these programs.

G. Indemnification

If a third party makes a claim against either you or Oracle (“Recipient” which may refer to you or Oracle depending upon which party received the Material), that any information, design, specification, instruction, software, data, or material (“Material”) furnished by either you or Oracle (“Provider” which may refer to you or Oracle depending on which party provided the Material), and used by the Recipient infringes its intellectual property rights, the Provider, at its sole cost and expense, will defend the Recipient against the claim and indemnify the Recipient from the damages, liabilities, costs and expenses awarded by the court to the third party claiming infringement or the settlement agreed to by the Provider, if the Recipient does the following:

- notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim (or sooner if required by applicable law);
- gives the Provider sole control of the defense and any settlement negotiations; and
- gives the Provider the information, authority, and assistance the Provider needs to defend against or settle the claim.

If the Provider believes or it is determined that any of the Material may have violated a third party’s intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund any fees the Recipient may have paid to the other party for it and any unused, prepaid technical support fees you have paid to Oracle for the license. If you are the Provider and such return materially affects Oracle’s ability to meet its obligations under the relevant order, then Oracle may, at its option and upon 30 days prior written notice, terminate the order. The Provider will not indemnify the Recipient if the Recipient alters the Material or uses it outside the scope of use identified in the Provider’s user documentation or if the Recipient uses a version of the Materials which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the Recipient. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by the Provider. Oracle will not indemnify you to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by Oracle. Oracle will not indemnify you for infringement caused by your actions against any third party if the Oracle program(s) as delivered to you and used in accordance with the terms of this agreement would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify you for any infringement claim that is based on: (1) a patent that you were made aware of prior to the effective date of this agreement (pursuant to a claim, demand, or notice); or (2) your actions prior to the effective date of this

agreement. This section provides the parties' exclusive remedy for any infringement claims or damages.

H. Technical Support

For purposes of this agreement, technical support consists of annual technical support services you may have ordered for the programs. If ordered, annual technical support (including first year and all subsequent years) is provided under Oracle's technical support policies in effect at the time the services are provided. Oracle's technical support policies are hereby incorporated by reference into this agreement, and are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of services provided for supported programs during the period for which fees for technical support have been paid. You should review the policies prior to entering into your purchase order for the applicable services. You may access the current version of the technical support policies at <http://oracle.com/contracts>. If you decide to not purchase technical support at the time of the license and/or hardware purchase then you will be required to pay reinstatement fees to DLT or Oracle in accordance with Oracle's current technical support policies if you decide to purchase support at a later date.

Technical support is effective upon the effective date of the order to which this agreement accompanies otherwise stated in your order.

Software Update License & Support (or any successor technical support offering to Software Update License & Support, "SULS") acquired with your order may be renewed annually and, if you renew SULS for the same number of licenses for the same programs, for the first and second renewal years the fee for SULS will not increase by more than 4% over the prior year's fees.

If you decide to purchase technical support for any license within a license set, you are required to purchase technical support at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if you agree to terminate that subset of licenses. The technical support fees for the remaining licenses will be priced in accordance with the technical support policies in effect at the time of termination. Oracle's license set definition is available in the current technical support policies. If you decide not to purchase technical support, you may not update any unsupported program licenses with new versions of the program.

I. End of Agreement

Termination for Cause and Termination Pursuant to Section G: If either of us breaches a material term of this agreement and fails to correct the breach within 30 days of written specification of the breach, then the breaching party is in default and the non-breaching party may terminate this agreement. If DLT ends this agreement as specified in the preceding sentence, you must pay within 30 days all amounts which have accrued prior to such end, as well as all sums remaining unpaid for programs ordered and/or services received under this agreement plus related taxes and expenses, if any. If DLT ends the license for a program under Section G (Indemnification), you must pay within 30 days all amounts remaining unpaid for services related to such license plus related taxes and expenses. Except for nonpayment of fees, the non-breaching party may agree in its sole discretion to extend the 30 day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if you are in default under this agreement, you may not use those programs and/or services ordered. You further agree that if you have used a third party financing entity to pay for the fees due under an order and you are in default under that contract, you may not use the programs and/or services that are subject to such contract. Provisions that survive termination or expiration are those relating to limitation of liability, infringement indemnity, payment and others which by their nature are intended to survive.

Termination for Convenience: You may terminate this agreement at any time without cause by giving DLT 30 days prior written notice of such termination. If you end this agreement as specified in the preceding sentence, you agree that (i) you must pay within 30 days all amounts which have accrued prior to the end of this agreement, as well as all sums remaining unpaid for programs ordered and services received under this agreement plus applicable related taxes and expenses (if any), (ii) you may not use any programs or services ordered as of the effective date of such termination, and (iii) all program licenses acquired under this agreement shall be terminated as of the effective date of such termination.

Notwithstanding the provisions above, upon termination of the agreement, you will discontinue use and destroy or return to Oracle all copies of the program and documentation.

J. Fees and Taxes

All fees payable to DLT are due within 30 days from the invoice date. You agree to pay any sales, value-added or other similar taxes imposed by applicable law that DLT must pay based on the programs and/or services you ordered, except for taxes based on DLT's income. Also, you will reimburse DLT for reasonable expenses related to providing the services. Fees for services listed in an order are exclusive of taxes and expenses. If you decide to finance your acquisition of the programs, operating system, integrated software and/or any services, you must follow Oracle's policies regarding financing which are available at <http://oracle.com/contracts>.

You agree that you have not relied on the future availability of any programs or updates in entering into the payment obligations in your purchase order; however, (a) if you order technical support from DLT for the programs, the preceding sentence does not relieve Oracle of its obligation to provide updates under such order, if-and-when available, in accordance with Oracle's then current technical support policies, and (b) the preceding sentence does not change the rights granted to you for any program licensed under the end user agreement, per the terms of such end user agreement.

K. Nondisclosure

By virtue of this agreement, the parties may have access to information that is confidential to one another ("confidential information"). We each agree to disclose only information that is required for the performance of obligations under this agreement. Confidential information shall be limited to the terms and pricing under this agreement and all information clearly identified as confidential at the time of disclosure.

A party's confidential information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party.

Subject to state or local disclosure laws and/or regulations, each agree to hold each other's confidential information in confidence for a period of three years from the date of disclosure. Also, we each agree to disclose confidential information only to those employees or agents who are required to protect it against unauthorized disclosure. Nothing shall prevent either party from disclosing the terms or pricing under this agreement or orders submitted under this agreement in any legal proceeding arising from or in connection with this agreement or disclosing the confidential information to a federal or state governmental entity as required by law. In the event that you receive a valid request for DLT's confidential information pursuant to FOIA, you agree that you will provide DLT with reasonable notice of such request and give DLT an opportunity to object to or limit any such disclosure.

L. Entire Agreement

You agree that this agreement and the information which is incorporated into this agreement by written reference (including reference to information contained in a URL or referenced policy), together with the applicable ordering document, are the complete agreement for the programs and/or services ordered by you, and that this agreement supersedes all prior or contemporaneous agreements or representations, written or oral, regarding such programs and/or services. If any term of this agreement is found to be invalid or unenforceable, the remaining provisions will remain effective and such term shall be replaced with a term consistent with the purpose and intent of this agreement.

It is expressly agreed that the terms of this agreement and any Oracle ordering document shall supersede the terms in any purchase order or other non-Oracle document and no terms included in any such purchase order or other non-Oracle document shall apply to the programs and/or services ordered.

M. Limitation of Liability

TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE ARISING FROM THE USE OF THE PROGRAMS. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, ORACLE SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE ARISING FROM THE USE OF THE PROGRAMS. DLT'S AND ORACLE'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO THIS AGREEMENT OR YOUR ORDER, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE AMOUNT OF THE FEES YOU PAID DLT UNDER THIS AGREEMENT, AND IF SUCH DAMAGES RESULT FROM YOUR USE OF PROGRAMS OR SERVICES, SUCH LIABILITY SHALL BE LIMITED TO THE FEES YOU PAID DLT FOR THE DEFICIENT PROGRAM OR SERVICES GIVING RISE TO THE LIABILITY.

N. Export

Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the programs. You must comply fully with all relevant export laws and regulations of the United States and other applicable export and import laws to assure that neither the programs, the hardware nor any direct product thereof, are exported, directly or indirectly, in violation of applicable laws.

P. Force Majeure

Neither of us shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancellation of any export or other license); other event outside the reasonable control of the obligated party.
