- (a)** This “Agreement” consists of this Service Agreement, together with all Attachments, Order Schedules, and Statements of Work associated with this Service Agreement.
- (b)** This Service Agreement will terminate when no Order Schedule then has an active Applicable Term and no executory obligation remains under any Statement of Work.
- (c)** If, after this Service Agreement has terminated according to Section 2(b), the parties enter into a new Order Document and/or Statement of Work, this Service Agreement will again apply until the next time at which no Order Schedule then has an active Applicable Term and no executory obligation remains under any Statement of Work.

3. SERVICE.

(a) OneStream will, during the Applicable Term, make available to Customer the Service(s) at the Demarcation Point according to the service levels stated in Attachment C, solely for the internal business operations of Customer and the Permitted Entities.

(b) Customer may, during the Applicable Term, make available the Service(s) to Authorized Users solely for the internal business operations of Customer and the Permitted Entities. For the avoidance of doubt, if an entity ceases to be a Permitted Entity, the right of Customer to permit such entity, or its Authorized Users, to use the Service(s) will end.

(c) If any Permitted Entity qualifies as a Permitted Entity under Section 1(a) due to control of the Permitted Entity that is other than by direct or indirect ownership of at least a majority of the voting equity interests of the Permitted Entity, Customer will, upon OneStream’s request, report to OneStream the identity of each such Permitted Entity.

(d) Customer will be liable to OneStream for all acts or omissions of any Permitted Entity and/or Authorized User that would, if committed or omitted by Customer, be a breach of this Agreement.

4. DATA SECURITY PROCESSES AND TERMS. OneStream will provide the services using the data security processes, and according to the terms, stated in Attachment D.

5. AFFILIATE SERVICES. One or more of the Permitted Entities and OneStream may, but need not, enter into one or more Order Schedules. If and when such event(s) occur(s):

(a) Each Permitted Entity executing one or more Order Schedules with OneStream is a “Contracting Party;”

(b) A new and separate agreement (a “Contracting Party Agreement”) is made between that Contracting Party and OneStream, which consists of:

(i) The Order Schedule(s) executed by the Contracting Party and OneStream; and

(ii) The terms contained in this Agreement, except that:

(A) The term “Customer” will mean the Contracting Party;

(B) No Order Schedule between Customer, as such, and OneStream will be considered a part of the Contracting Party Agreement; and

(C) The terms of this Section 4 will not apply (i.e. no further contracting for Services under Section 5 may take place under the Contracting Party Agreement, as such);

(c) Each Contracting Party Agreement will be a separate agreement between OneStream and the Contracting Party and neither Customer nor any other Contracting Party will have rights or obligations under such Contracting Party Agreement; and

(d) For the avoidance of doubt, each Contracting Party may make the Service(s) available under its respective Contracting Party Agreement to corporations, companies, partnerships, joint ventures, or other entities that qualify as Permitted Entities with respect to the Contracting Party, even if such corporations, companies, partnerships, joint ventures, or other entities do not meet the requirement in Section 1(h) with respect to Customer.

6. USE RESTRICTIONS.

(a) Except as expressly permitted by this Agreement, Customer may not, and may not allow any third party to: (i) decompile, disassemble, decrypt, or reverse-engineer any Service, (ii) remove any product identification or proprietary-rights notices from any Service or the Documentation, (iii) sell, lease, lend, or otherwise make available any Service to a person other than a Permitted

Entity or Authorized User as permitted by Section 2(b), (iv) use a Service for the benefit of any person other than Customer or a Permitted Entity, whether for timesharing, service bureau, or other purposes; (v) modify, or create derivative works of, any Service (it being understood that mere configuration of a Service as contemplated by the Documentation is not a modification or the creation of a derivative work), (vi) use any virtual session, automated process, scheme by which multiple natural persons use a Service, or any other means (including, but not limited to, automated processes or artificial intelligences) to make greater use of any Service than is permitted under the user privileges identified in Attachment B and/or the applicable Order Schedule, (vii) perform analysis or other activities using Derived Databases (as defined in Attachment B) other than by Named Users (as defined in Attachment B) having privileges required by Attachment B, (viii) use the Service in a manner not consistent with the Documentation, or (ix) otherwise use any Service except as expressly provided in this Agreement. If Customer uses the Service in manner that is outside of the uses permitted herein or in violation of the Documentation, then Customer will cooperate with OneStream to address any applicable burden on the Service or pay any an additional mutually agreed upon fee.

(b) Upon OneStream's request (not more often than once in a 12 month period unless OneStream has a reasonable belief that a violation of Section 3 and Section 5 has occurred), Customer will run such reports regarding the use of the Software, using the Software and related systems, as OneStream requests and promptly provide such reports to OneStream, unaltered. If such reports reveal an actual use of the Software in excess of the use permitted by this Agreement, Customer will promptly pay to OneStream SaaS fees for such use. Such payment for overuse is not intended to preempt any infringement claim.

7. SUPPORT AND PROFESSIONAL SERVICES.

(a) OneStream will provide to Customer Support Services (as described in Attachment C) during the Applicable Term.

(b) Where Customer requires professional services with respect to the Service in excess of Support Services (including, but not limited to, integration and configuration), the parties will contract for such services under the terms stated in Attachment D. A breach by a party with respect to professional services will not itself be a breach by that party with respect to other Services.

8. TERM, FEES, AND PAYMENT TERMS.

(a) The Applicable Term of each Order Schedule is stated in each Order Schedule. If no such term is stated in an Order Schedule, the term will be three years. OneStream may invoice for Service fees annually in advance at the beginning of the Applicable Term.

(b) If OneStream or Customer has not, by the date that is 60 days prior to the end of the then-current Applicable Term with respect to an Order Schedule, given notice to the other party that it intends to not renew that Applicable Term, the Applicable term will automatically renew for an additional three years. OneStream may increase the price during any renewal term by up to 7% above the pricing effective at the end of the end of the term prior to the renewal period. Notwithstanding the foregoing, for any renewal in which Customer use of the Service is in excess of the permitted use under the Documentation will result in re-pricing at renewal without regard for the prior term's pricing.

(c) OneStream may invoice for Professional Services upon the earlier of (i) completion of the Professional Services or (ii) monthly in arrears on the first day of the calendar month that follows the date during which the Professional Services are performed.

(d) All amounts under this Agreement that are not subject to a good faith dispute of which Customer has given OneStream notice are due within 30 days after the date of the invoice. Where Customer disputes an invoice as contemplated above, If, after resolution of such dispute, Customer owes amounts, Customer will

pay any such amounts within 10 business days after such resolution. If Customer fails to timely pay any amount as required by this Agreement, Customer will pay to OneStream late fees at the lower of 1% per month or the highest rate permitted by law.

(e) Except as otherwise expressly stated in an Order Schedule, all amounts are due in United States Dollars.

(f) Customer will pay all sales, use, consumption, VAT, GST, or other taxes associated with the Service, Support Services, Professional Services, or other goods, services, or software (other than taxes on OneStream's income) ("Taxes"). OneStream will, according to state or other applicable law, invoice and remit Taxes to the applicable taxing authority. Any such invoicing and/or remittance does not discharge Customer from any obligation to pay any Tax beyond what was collected by OneStream if a government authority determines that additional Tax is required.

(g) Customer will make all payments without reduction for any Tax unless Customer provides to OneStream such evidence as OneStream reasonably requests to establish that such taxes have been paid.

(h) If Customer requires that a purchase order number appear in this Agreement or any component of this Agreement, Customer must give notice of the same within seven days after the Effective Date. In any case, no Customer requirement for purchase order numbers or other clerical or similar requirements will delay or reduce any Customer obligation under this Agreement

(a) Except as provided in this Section 9 or to the extent that the fact of this Agreement or the relationship between the parties becomes readily ascertainable by the public through no act or omission of OneStream, OneStream will not use Customer's trademarks or trade dress in any press release or public promotional communication.

(b) OneStream may include Customer's name in a list of OneStream's customers that OneStream may provide on a confidential basis to OneStream's potential customers.

(c) Customer will consider in good faith, but need not grant, any request by OneStream:

(i) To allow the use of Customer's logo on OneStream's website and marketing materials to represent that Customer is a OneStream customer;

(ii) To allow OneStream to promote the selection of OneStream by Customer as Customer's new EPM software solution; or

(iii) To provide a marketing quote for use in a press release and marketing materials for OneStream, in which case OneStream will provide to Customer the press release and date of the press release in advance for approval.

10. TERMINATION.

(a) Either party may terminate the applicable Order Schedule (or, if only one Order Schedule is then active, terminate this Agreement) upon notice to the other party if:

(i) The other party breaches this Agreement and fails to cure such breach within 30 days (10 days for payment obligations) after the aggrieved party gives notice of such breach (it being understood that, if the breach cannot be cured, no cure period will apply); or

(ii) The other party becomes unable generally to pay its debts as they become due, ceases to do business in the ordinary course, or dissolves, winds up, or its governing body approves such dissolution or winding up.

(b) Termination is not an exclusive remedy.

(c) Upon expiration or termination for any reason of the Agreement or the applicable Order Schedule:

- (i) All of Customer's, Permitted Entities' and Authorized Users' use of the Service will immediately cease; and
- (ii) OneStream will, at Customer's request made at any time prior to the 10th calendar day after the effective date of termination, provide to Customer, in industry-standard electronic form, a copy of such Customer Data as OneStream then holds using the Services.

(d) If Customer terminates this Agreement under Section 10(a), OneStream will refund to Customer any prepaid fees that Customer has by then paid but that OneStream has not earned, whether by performance or passage of time.

(e) The provisions of Section 12 will survive according to their terms. The provisions of Sections 1, 7, 9, 11 and 14 will survive indefinitely any termination of this Agreement.

11. WARRANTY.

(a) OneStream warrants that, during the Applicable Term, the Service will conform in all material respects to OneStream's then-current Documentation for such Service.

(b) The warranty in Section 10(a) will not apply to the extent that: (i) the Service is not used in accordance with this Agreement or the Documentation; (ii) the Service or any part thereof has been modified other than by OneStream or with OneStream's written approval; or (iii) Customer fails to accept an Update proffered by OneStream that would cause the Service to conform to the warranty.

(c) To claim the benefit of the warranty in Section 10(a), Customer must; (i) notify OneStream of the non-conformity and (ii) provide to OneStream sufficient detail to allow OneStream to reproduce the nonconformity.

(d) ONESTREAM'S SOLE AND EXCLUSIVE LIABILITY FOR ANY BREACH OF THE WARRANTY IN SECTION 10(a) SHALL BE LIMITED TO REPAIR OR REPLACEMENT OF THE SERVICE, UNLESS, IN ONESTREAM'S OPINION, SUCH REPAIR OR REPLACEMENT WOULD BE INADEQUATE OR IMPRACTICAL, IN WHICH CASE ONESTREAM WILL REFUND THE FEES PAID FOR THE LAST 90 DAYS FOR THE APPLICABLE SERVICE AND CUSTOMER WILL THEREUPON CEASE ALL USE OF THE SERVICE AND THE APPLICABLE ORDER SCHEDULE (AND, IF NO OTHER ORDER SCHEDULES ARE THEN ACTIVE, THIS AGREEMENT) WILL TERMINATE.

OneStream makes no representations, warranties, or guarantees of any kind, express, implied, statutory, or otherwise, oral or written, with respect to the performance or security of any public network.

12. INTELLECTUAL PROPERTY INDEMNITY.

(a) OneStream will indemnify, defend, and hold harmless Customer and each Permitted Entity from any claim by a third party that the Service infringes upon that third party's patent, copyright or trademark, or misappropriates that third party's trade secret, provided that: (i) Customer gives to OneStream prompt notice of the claim and (ii) Customer and each Permitted Entity give to OneStream sole control of the defense and/or settlement of the claim and reasonable assistance in conducting such defense and/or settlement. OneStream will reimburse all reasonable out-of-pocket expenses incurred by Customer in providing such assistance. OneStream will not, without Customer's written consent (which consent Customer will not unreasonably withhold, delay, or condition) enter into any settlement agreement that binds an indemnitee that involves any substantive term other than the payment by OneStream of money and the release of the liability of the indemnitee.

(b) Customer will indemnify, defend, and hold harmless OneStream from any claim by a third party that the any software uploaded or used by Customer through the OneStream XF code editor function infringes upon that third party's patent, copyright or trademark, or misappropriates that third party's trade secret, provided that: (i) OneStream gives to Customer prompt notice of the claim and (ii) OneStream gives to Customer sole control of the defense and/or settlement of the claim and reasonable assistance in conducting such defense and/or settlement. (d) If the Service infringes upon a third party's proprietary right or if OneStream reasonably believes that the same is likely to occur, OneStream may, at its option (in addition to, and not in lieu of, OneStream's obligations under Section 11(a)), (i) procure for Customer the right to continue use of the Service; (ii) provide a modification to the Service so that its use becomes non-infringing; (iii) replace the Service with software that is substantially similar in functionality and performance; or (iv) refund to Customer such subscription or other fees as Customer has by then paid but that OneStream has not earned by performance or the passage of time, whereupon Customer will cease using the Service and destroy or return the Service to OneStream and this Agreement will terminate.

Each professional, such as a lawyer or an accountant, actually retained by the receiving party in a professional-client relationship will be deemed under an adequate obligation of confidentiality for the purposes of this Agreement so long as the law recognizes an obligation of confidence actionable by the receiving party under law without a separate contractual obligation.

 - (C)** Discloses only such Confidential Information as the receiving party, upon advice of its counsel, believes is required to be disclosed.

(d) Because unauthorized use or disclosure of Confidential Information might result in immediate and irreparable injury to the disclosing party, for which monetary damages might not be adequate, if the receiving party or any officer, director, employee, agent, professional, or contractor of the receiving party uses or discloses Confidential Information or any such person is likely to use or disclose Confidential Information in breach of the receiving party’s obligations under this Agreement, the disclosing party will be entitled to seek equitable relief, including temporary and permanent injunctive relief and specific performance.
