(n) “**Use**” means Customer’s installation, deployment, access of or provision of access to, or operation of a Product.

2. **Software License.**

(a) **General.** Subject to Customer’s compliance with the terms of this Agreement, Provider grants to Customer, and Customer accepts from Provider, a non-exclusive, non-transferable (except as otherwise set forth herein) and non-sublicensable license to Use the quantities of each item of Software purchased from Provider or a Partner within the parameters of the Product Terms associated with the applicable Software and License Type (the “**License**”). Except for MSP Licenses (as defined below), Customer shall only Use the Software to support the internal business operations of itself and its worldwide Affiliates.

(b) **On-Premises Software.** If Software is delivered to Customer for (i) Customer’s installation and use on its own equipment or (ii) pre-installed by Provider on an Appliance (“**On-Premises Software**”), the License shall be perpetual (unless otherwise stated on the Order) and shall also include the right to (i) make a reasonable number of additional copies of the On-Premises Software to be used solely for non-productive archival or passive disaster recovery purposes, provided such copies are kept in a secure location and are not used for production purposes unless the associated primary copy of the On-Premises Software is no longer being used for production purposes, and (ii) make and use copies of the Documentation as

USSTA2021 (GSA)

reasonably necessary to support Customer's authorized users in their Use of the On-Premises Software. Each License for On-Premises Software shall only be installed by Customer in the country in which the On-Premises Software is initially delivered to Customer.

(c) **Software as a Service.** If an Order provides Customer with a right to access and use Software installed on equipment operated by Provider or its suppliers ("**SaaS Software**"), (i) the License for such SaaS Software shall be granted for the duration of the term stated in the Order (the "**SaaS Term**"), as such SaaS Term may be extended by agreed upon renewals, and (ii) the terms set forth in the Software as a Service provisions Section of this Agreement shall apply to all use of such Software. If any item of Software to be installed on Customer's equipment is provided in connection with SaaS Software, the License duration for such Software shall be for the corresponding SaaS Term, and Customer shall promptly install any updates to such Software as may be provided by Provider.

(d) **MSP License.** If an Order indicates that Software is to be used by Customer as a managed service provider, Customer shall be granted a License to use such Software and the associated Documentation to provide Management Services (an "**MSP License**"). "**Management Services**" include, without limitation, application, operating system, and database implementation, performance tuning, and maintenance services provided by Customer to its customers (each, a "**Client**"). If an Order indicates that an MSP License will be used to support a specific Client, Customer may not Use the MSP License to support any Client other than the Client named on the Order.

Customer shall ensure that (i) each Client only uses the Software and Documentation as part of the Management Services provided to it by Customer, (ii) such use is subject to the restrictions and limitations contained in this Agreement, including, but not limited to those in the *Export* Section of this Agreement, and the applicable Order, and (iii) each Client cooperates with Provider during any compliance review that may be conducted by Provider or its designated agent. At the conclusion of any Management Services engagement with a Client, Customer shall promptly remove any Software installed on its Client's computer equipment or require the Client to do the same. Customer agrees that it shall be liable to Provider for the acts and omissions of its Clients in connection with their use of the Software and Documentation.

For MSP Licenses, (i) Customer shall be solely responsible for supporting its Client, including but not limited to, conducting all activities required to install the Software and for providing any training to its Client and any system integrators regarding the installation, use and operation of the Software; (ii) Customer will provide Management Services to its Client in a manner that does not degrade the goodwill and reputation of Provider or the Software and will not undertake any action that would impair or disrupt Provider's relationship with its customers or potential customers; and (iii) Customer will make no representations or warranties related to the Software in excess of Provider's representations or warranties contained in this Agreement. In the event Customer acquires a perpetual MSP License, Customer may assign the Software to its Client for the Client's internal use, provided that Customer obtains Provider's prior written consent for the assignment and the Client agrees to be bound by Provider's then current license agreement. Customer understands and agrees that Customer shall have no right to charge a fee to its Client for such an assignment and that following such an assignment, Customer shall have no further rights to use the assigned Software and the applicable License shall terminate in accordance with the terms of this Agreement. Any attempted transfer or assignment of the Software to a Client in violation of the foregoing shall be null and void.

(e) **Evaluation License.** If an Order indicates that Software is to be used by Customer for evaluation purposes, or if Software is otherwise obtained from Provider for evaluation purposes, Customer shall be granted a License to Use such Software and the associated Documentation solely for Customer's own non-production, internal evaluation purposes (an "**Evaluation License**"). Each Evaluation License shall be granted for an evaluation period of up to thirty (30) days from the date of delivery of the On-Premises Software or from the date that access is granted to the SaaS Software, plus any extensions granted by Provider in writing (the "**Evaluation Period**"). There is no fee for an Evaluation License during the Evaluation Period, however, Customer is responsible for any applicable shipping charges or taxes which may be incurred, and any fees which may be associated with Use beyond the scope permitted herein. Customer will only be granted one Evaluation License per release of any item of Software. Notwithstanding anything otherwise set forth in this Agreement, Customer understands and agrees that Evaluation Licenses are provided "AS IS" and that Provider does not provide warranties or Maintenance Services for Evaluation Licenses.

(f) **Freeware License.** Intentionally Omitted.

(g) **Use by Third Parties.** Customer may allow its services vendors, outsourcing providers, and contractors (each, a "**Third Party User**") to Use the Software and Documentation provided to Customer hereunder solely for purposes of providing services to Customer, provided that Customer ensures that (i) the Third Party User's access to or use of the Software and Documentation is subject to the restrictions and limitations contained in this Agreement, including, but not limited to those in the *Export* Section, and the applicable Order(s), (ii) the Third Party User cooperates with Provider during any compliance review that may be conducted by Provider or its designated agent, and (iii) the Third Party User promptly removes any Software installed on its computer equipment upon the completion of the Third Party's need to access or use the Software as permitted by this Section.

(h) **Third Party Licenses.** Some Products incorporate third party components which are subject to the terms of the third party licenses and whose licenses require Provider to publish copies of the licensing language and/or copyright notices. Copies of such third party licenses are available upon Customer's request and will be provided separately.

3. Restrictions. Customer may not, nor allow any third party to reverse engineer, decompile, disassemble, or attempt to discover or modify in any way the underlying source code of the Software, or any part thereof unless and to the extent (a) such restrictions are prohibited by applicable law and (b) Customer has requested interoperability information in writing from Provider and Provider has not provided such information in a timely manner. In addition, Customer may not, nor allow any third party to (i) modify, translate, localize, adapt, rent, lease, loan, create or prepare derivative works of, or create a patent based on the Products, Documentation or any part thereof, (ii) resell, sublicense or distribute the Products or Documentation, (iii) provide, make available to, or permit use of the Products, in whole or in part, (except as expressly set forth herein), (iv) use the Products or Documentation to create or enhance a competitive offering or for any other purpose which is competitive to Provider, (v) remove Software that was delivered on an Appliance from the Appliance on which it was delivered and load such Software onto a different appliance without Provider's prior written consent. Furthermore, Customer will not, nor allow any third party to distribute or publish the licensing files designed to enable an authorized user to run the Software provided by Provider or use any other means of circumventing copy protection, to install, operate, or access the Software. Customer understands and agrees that the Products may work in conjunction with third party products and Customer agrees to be responsible for ensuring that it is properly licensed to use such third-party products. Notwithstanding anything otherwise set forth in this Agreement, USSTA2021 (GSA)

the terms and restrictions set forth herein shall not prevent or restrict Customer from exercising additional or different rights to any open source software that may be contained in or provided with the Products in accordance with the applicable open source software licenses which shall be either included with the Products or made available to Customer upon request.

4. Proprietary Rights. Customer understands and agrees that (i) the Products are protected by copyright and other intellectual property laws and treaties, (ii) Provider, its Affiliates and/or its licensors own the copyright, and other intellectual property rights in the Products, (iii) the Software is licensed, and not sold, (iv) this Agreement does not grant Customer any rights to use Provider's trademarks or service marks, and (v) Provider reserves any and all rights, implied or otherwise, which are not expressly granted to Customer in this Agreement.

5. Title, Risk of Loss and Delivery. Provider, its Affiliates and/or its licensors own the title to all Software. Title and risk of loss to an Appliance shall pass from Provider to Customer upon shipment (unless the Appliance is rented, leased or loaned to Customer). Delivery of Products shall be by electronic download or FOB Destination.

6. Payment and Taxes. Customer agrees to pay to Provider (or, if applicable, the Partner) the fees specified in each Order. Customer will be invoiced promptly following delivery of the Products or prior to the commencement of any Renewal Maintenance Period and Customer shall make all payments due to Provider in accordance with FAR 52-212-4. Any amounts properly invoiced and payable to Provider by Ordering Activity that remain unpaid after the due date and after written notification from Provider, shall be subject to the Prompt Payment Act (31 USC 3901 et seq) and Treasury regulations at 5 CFR 1315. Provider shall state separately on invoices taxes excluded from the fees, and the Customer agrees either to pay the amount of the taxes (based on the current value of the equipment) or provide evidence necessary to sustain an exemption, in accordance with FAR 552.212-4(k). This Section does not apply to taxes based on Provider's income. FAR 52.212-4(k) shall take precedence over any contrary provision of this Agreement relating to taxes.

7. Termination.

(a) **Termination.** Ordering Activity's termination rights shall be governed by FAR 52.212-4(l) and (m) and Provider's termination rights shall be governed by the FAR 52.212-4(d).

(b) **End of Term Duties.** Upon termination of this Agreement or expiration or termination of a License for any reason, all rights granted to Customer for the applicable Software shall immediately cease and Customer shall immediately: (i) cease using the applicable Software and Documentation, (ii) remove all copies, installations, and instances of the applicable Software from all Customer computers and any other devices on which the Software was installed, and ensure that all applicable Third Party Users and Clients do the same, (iii) return the applicable Software to Provider together with all Documentation and other materials associated with the Software and all copies of any of the foregoing, or destroy such items, (iv) cease using the Maintenance Services associated with the applicable Software, (v) pay Provider or the applicable Partner all amounts due and payable up to the date of termination, and (vi) give Provider a written certification, within ten (10) days, that Customer, Third Party Users, and Clients, as applicable, have complied with all of the foregoing obligations.

(c) **Survival.** Any provision of this Agreement that requires or contemplates continued performance after (i) termination of this Agreement, (ii) a termination or expiration of a License, or (iii) the expiration of a SaaS Term, is enforceable against the other party and their respective successors and assignees notwithstanding such termination or expiration, including, without limitation, the *Restrictions, Export, Payment, Taxes, Termination, Warranty Disclaimer, Infringement Indemnity, Limitation of Liability, Confidential Information, Compliance Verification, and General Sections* of this Agreement. Termination of this Agreement or a License shall be without prejudice to any other remedies that the terminating party may have under law, subject to the limitations and exclusions set forth in this Agreement.

8. Export. Customer acknowledges that the Products and Maintenance Services are subject to the export control laws, rules, regulations, restrictions and national security controls of the United States, Europe, and other applicable countries and regions (the "**Export Controls**") and agrees to abide by the Export Controls. Customer hereby agrees to use the Products and Maintenance Services in accordance with the Export Controls, and shall not export, re-export, sell, lease or otherwise transfer the Products or any copy, portion or direct product of the foregoing in violation of the Export Controls. Customer is solely responsible for obtaining all necessary licenses or authorizations relating to the export, re-export, sale, lease or transfer of the Products and for ensuring compliance with the requirements of such licenses or authorizations.

9. Maintenance Services. If ordered, Maintenance Services are provided in accordance with Provider's then current Support Guide available on Provider's Support Site at <http://oneidentity.com/support/> which describes the Maintenance Services, including support offering levels, severity levels, response times, and contact information. The time period during which Customer is entitled to receive Maintenance Services is the "**Maintenance Period.**" The Support Guide is incorporated in this Agreement and the non-materials terms and conditions are subject to change at Provider's discretion; however, Provider will not materially reduce the level of technical support services provided during a paid support period. As part of the Maintenance Services Provider will (i) make available new releases and corrections of the Software when Provider makes them generally available to its supported customers at no additional license fee, and (ii) provide technical support for issues that are demonstrable in the currently supported release(s) of the Software. Maintenance Services fees are due and payable annually at the time of purchase of a support period. Except for non-perpetual Licenses (for which the Maintenance Period is equal to the duration of the License) and unless otherwise stated in the Order, each License includes an initial Maintenance Period beginning on the date of the initial delivery of the Software following an Order and lasting for twelve (12) months thereafter. Following the initial Maintenance Period for perpetual Licenses, and subject to availability, and then current prices stated on a Maintenance Services renewal Quotation provided by Provider, Maintenance Services shall only be provided to Customer, pursuant to a separate Order (each, a "Renewal Maintenance Period"). Maintenance Services must be ordered for all copies of each licensed Product and may not be purchased for a subset of licenses of a Product only. The procedure and fees for reinstating Maintenance Services for Software after it has lapsed is posted at <https://support.oneidentity.com/essentials/Reinstate-Maintenance-Services>. Any payment of fees in excess of the amount of past fees for the lapsed period is prohibited. The rate of any past fees shall be at the current GSA Schedule rate.

10. Warranties and Remedies.

(a) **Software Warranty and Remedies.** Provider warrants that, during the applicable Warranty Period, the operation of the Software, as provided by Provider, will substantially conform to its Documentation (the “**Software Warranty**”). The “**Warranty Period**” for On-Premises Software shall be ninety (90) days following the initial delivery of the Software pursuant to an Order; and for SaaS Software shall be the duration of the SaaS Term. Provided Customer notifies Provider of any breach of the foregoing warranty within the Warranty Period, Provider shall at its option (i) correct or provide a workaround for reproducible errors in the Software that caused the breach within a reasonable time considering the severity of the error and its effect on Customer or (ii) refund the license fees paid for the applicable nonconforming On-Premises Software in exchange for a return of such nonconforming On-Premises Software or provide a credit of the fees allocable to the period during which the SaaS Software was not operating in substantial conformance with the applicable Documentation. These are Customer’s sole and exclusive remedies and Provider’s sole obligation for any such breach of the Software Warranty.

(b) **Appliance Warranties.** Appliances are warranted in accordance with the warranty document delivered with the Appliance and/or included on the hardware manufacturers’ website.

(c) **Warranty Exclusions.** The warranties set forth in this Section shall not apply to any non-conformance (i) that Provider cannot recreate after exercising commercially reasonable efforts to attempt to do so; (ii) caused by misuse of the applicable Product or by using the Product in a manner that is inconsistent with this Agreement or the Documentation; or (iii) arising from the modification of the Product by anyone other than Provider.

(d) **Warranty Disclaimer.** THE EXPRESS WARRANTIES AND REMEDIES SET FORTH IN THIS SECTION OR IN A SIGNED ORDER OR GOVERNING QUOTATION ARE THE ONLY WARRANTIES AND REMEDIES PROVIDED BY PROVIDER HEREUNDER. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ALL OTHER WARRANTIES OR REMEDIES ARE EXCLUDED, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, INTEROPERABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, NON-INFRINGEMENT, SATISFACTORY QUALITY, AND ANY WARRANTIES ARISING FROM USAGE OF TRADE OR COURSE OF DEALING OR PERFORMANCE. PROVIDER DOES NOT WARRANT UNINTERRUPTED OR ERROR-FREE OPERATION OF THE PRODUCTS.

(e) **High-Risk Disclaimer.** THE PRODUCTS ARE NOT FAULT-TOLERANT AND ARE NOT DESIGNED OR INTENDED FOR USE AND MAY NOT BE USED IN HAZARDOUS ENVIRONMENTS REQUIRING FAIL-SAFE PERFORMANCE, SUCH AS IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL, WEAPONS SYSTEMS, LIFE-SUPPORT MACHINES, OR ANY OTHER POTENTIALLY LIFE CRITICAL USES (COLLECTIVELY, “**HIGH-RISK ACTIVITIES**”). PROVIDER SHALL NOT BE LIABLE FOR ANY CLAIMS BY CUSTOMER IN RESPECT OF OR WHICH RELATE DIRECTLY OR INDIRECTLY TO HIGH RISK ACTIVITIES.

11. Infringement Indemnity.

(a) Provider shall indemnify Customer from and against any claim, suit, action, or proceeding brought against Customer by a third party to the extent it is based on an allegation that the Software directly infringes any patent, copyright, trademark, or other proprietary right enforceable in the country in which Provider has authorized Customer to use the Software, including the country to which the Software is delivered to Customer, or misappropriates a trade secret in such country (a “**Claim**”). Indemnification for a Claim shall exclusively consist of the following: Provider shall (1) defend or settle the Claim at its own expense, (2) pay any judgments finally awarded against Customer under a Claim or any amounts assessed against Customer in any settlements of a Claim, and (3) reimburse Customer for the reasonable administrative costs or expenses, including without limitation reasonable attorneys’ fees, it necessarily incurs in responding to the Claim. Provider’s obligations under this *Infringement Indemnity* Section are conditioned upon Customer (i) giving prompt written notice of the Claim to Provider, (ii) permitting Provider to retain sole control of the investigation, defense or settlement of the Claim as long as such settlement shall not include a financial obligation on or admission of liability by Customer, and (iii) providing Provider with cooperation and assistance as Provider may reasonably request in connection with the Claim.

(b) Provider shall have no obligation hereunder to indemnify Customer as described under section (a) above against any Claim resulting from (1) Use of the Software other than as authorized by this Agreement, a Signed Order, or a Governing Quotation, (2) a modification of the Software other than by Provider, (3) Customer’s Use of any release of the Software after Provider has provided a non-infringing update at no charge, or (4) Use of the Software in conjunction with other products, services, or data not supplied by Provider if the infringement would not have occurred but for such use.

(c) If, as a result of a Claim or an injunction, Customer must stop using any Software (“**Infringing Software**”), Provider shall at its expense and option either (1) obtain for Customer the right to continue using the Infringing Software, (2) replace the Infringing Software with a functionally equivalent non-infringing product, (3) modify the Infringing Software so that it is non-infringing, or (4) terminate the License for the Infringing Software and (A) for On-Premises Software, accept the return of the Infringing Software and refund the license fee paid for the Infringing Software, pro-rated over a sixty (60) month period from the date of initial delivery of such Software following an Order, or (B) for SaaS Software, discontinue Customer’s right to access and use the Infringing Software and refund the unused pro-rated portion of any license fees pre-paid by Customer for such Software. This Section states Provider’s entire liability and its sole and exclusive indemnification obligations with respect to a Claim and Infringing Software. Notwithstanding the foregoing, if the Ordering Activity is an agency or instrumentality of the U.S. Government, the U.S. Department of Justice shall represent the Government in any such proceedings in accordance with 28 USC 516, and any termination rights shall be subject to the Government’s authorization and consent rights under 28 USC 1498.

12. Limitation of Liability.

(a) EXCEPT AS OTHERWISE STATED IN SUBSECTION (C) BELOW IN NO EVENT SHALL CUSTOMER OR ITS AFFILIATES OR PROVIDER, ITS AFFILIATES OR SUPPLIERS BE LIABLE FOR (X) ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL LOSS OR DAMAGE OF ANY KIND OR (Y) LOSS OF REVENUE, LOSS OF ACTUAL OR ANTICIPATED PROFITS, LOSS OF BUSINESS, LOSS OF CONTRACTS, LOSS OF GOODWILL OR REPUTATION, LOSS OF ANTICIPATED SAVINGS, LOSS OF, DAMAGE TO OR CORRUPTION OF DATA, HOWSOEVER ARISING, WHETHER SUCH LOSS OR DAMAGE WAS FORESEEABLE OR IN THE CONTEMPLATION OF THE PARTIES AND WHETHER ARISING IN OR FOR BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF STATUTORY DUTY, OR OTHERWISE.

(b) EXCEPT AS OTHERWISE STATED IN SUBSECTION (C) BELOW, THE MAXIMUM AGGREGATE AND CUMULATIVE LIABILITY OF CUSTOMER AND ITS AFFILIATES AND PROVIDER, ITS AFFILIATES AND SUPPLIERS, FOR DAMAGES UNDER THIS AGREEMENT, WHETHER ARISING IN OR FOR BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF STATUTORY DUTY, OR OTHERWISE, SHALL BE THE FEES PAID AND/OR OWED (AS APPLICABLE) BY CUSTOMER OR ITS AFFILIATES FOR THE PRODUCTS THAT ARE THE SUBJECT OF THE BREACH, EXCEPT FOR MAINTENANCE SERVICES OR A PRODUCT SUBJECT TO RECURRING FEES, FOR WHICH THE MAXIMUM AGGREGATE AND CUMULATIVE LIABILITY SHALL BE THE AMOUNT PAID AND/OR OWED (AS APPLICABLE) FOR SUCH MAINTENANCE SERVICE OR PRODUCT. THE PARTIES AGREE THAT THESE LIMITATIONS OF LIABILITY ARE AGREED ALLOCATIONS OF RISK CONSTITUTING IN PART THE CONSIDERATION FOR PROVIDER PROVIDING PRODUCTS AND SERVICES TO CUSTOMER, AND SUCH LIMITATIONS WILL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSE OF ANY LIMITED REMEDY AND EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LIABILITIES OR FAILURES.

(c) NOTHING IN THIS AGREEMENT SHALL EXCLUDE OR LIMIT A PARTY'S LIABILITY FOR (A) ANY BREACH OF THE *SOFTWARE LICENSE, RESTRICTIONS, OR EXPORT* SECTIONS OF THIS AGREEMENT, (B) PROVIDER'S OBLIGATIONS UNDER THE INFRINGEMENT INDEMNITY SECTION OF THIS AGREEMENT AND CUSTOMER'S OBLIGATIONS UNDER THE *CONDUCT* SECTION OF THE *SAAS ADDENDUM* (IF APPLICABLE) AND *MSP LICENSE* SECTIONS OF THIS AGREEMENT, (C) A PREVAILING PARTY'S LEGAL FEES PURSUANT TO THE LEGAL FEES SECTION OF THIS AGREEMENT; OR (D) ANY LIABILITY TO THE EXTENT LIABILITY MAY NOT BE EXCLUDED OR LIMITED AS A MATTER OF APPLICABLE LAW.

THE FOREGOING EXCLUSION/LIMITATION OF LIABILITY SHALL NOT APPLY TO (1) PERSONAL INJURY OR DEATH RESULTING FROM ONE IDENTITY'S NEGLIGENCE; (2) FOR FRAUD; (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW OR (4) EXPRESS REMEDIES PROVIDED UNDER ANY FAR, GSAR OR SCHEDULE 70 SOLICITATION CLAUSES INCORPORATED INTO THE CONTRACT.

13. Confidential Information.

(a) **Definition.** "**Confidential Information**" means information or materials disclosed by one party (the "**Disclosing Party**") to the other party (the "**Receiving Party**") that are not generally available to the public and which, due to their character and nature, a reasonable person under like circumstances would treat as confidential, including, without limitation, financial, marketing, and pricing information, trade secrets, know-how, proprietary tools, knowledge and methodologies, the Software (in source code and/or object code form), information or benchmark test results regarding the functionality and performance of the Software, any Software license keys provided to Customer, and the terms and conditions of this Agreement.

Confidential Information shall not include information or materials that (i) are generally known to the public, other than as a result of an unpermitted disclosure by the Receiving Party after the date that Customer accepts the Agreement (the "**Effective Date**"); (ii) were known to the Receiving Party without an obligation of confidentiality prior to receipt from the Disclosing Party; (iii) the Receiving Party lawfully received from a third party without that third party's breach of agreement or obligation of trust; or (iv) are or were independently developed by the Receiving Party without access to or use of the Disclosing Party's Confidential Information,

(b) **Obligations.** The Receiving Party shall (i) not disclose the Disclosing Party's Confidential Information to any third party, except as permitted in subsection (c) below and (ii) protect the Disclosing Party's Confidential Information from unauthorized use or disclosure by exercising at least the same degree of care it uses to protect its own similar information, but in no event less than a reasonable degree of care. The Receiving Party shall promptly notify the Disclosing Party of any known unauthorized use or disclosure of the Disclosing Party's Confidential Information and will cooperate with the Disclosing Party in any litigation brought by the Disclosing Party against third parties to protect its proprietary rights. For the avoidance of doubt, this Section shall apply to all disclosures of the parties' Confidential Information as of the Effective Date, whether or not specifically arising from a party's performance under this Agreement.

(c) **Permitted Disclosures.** Notwithstanding the foregoing, the Receiving Party may disclose the Disclosing Party's Confidential Information without the Disclosing Party's prior written consent to any of its Affiliates, directors, officers, employees, consultants, contractors or representatives (collectively, the "**Representatives**"), but only to those Representatives that (i) have a "need to know" in order to carry out the purposes of this Agreement or to provide professional advice in connection with this Agreement, (ii) are legally bound to the Receiving Party to protect information such as the Confidential Information under terms at least as restrictive as those provided herein, and (iii) have been informed by the Receiving Party of the confidential nature of the Confidential Information and the requirements regarding restrictions on disclosure and use as set forth in this Section. The Receiving Party shall be liable to the Disclosing Party for the acts or omissions of any Representatives to which it discloses Confidential Information which, if done by the Receiving Party, would be a breach of this Agreement. Provider recognizes that Federal agencies are subject to the Freedom of Information Act, 5 U.S.C. 552, which may require that certain information be released, despite being characterized as "confidential" by the vendor.

Additionally, it shall not be a breach of this Section for the Receiving Party to disclose the Disclosing Party's Confidential Information as may be required by operation of law or legal process, provided that the Receiving Party provides prior notice of such disclosure to the Disclosing Party unless expressly prohibited from doing so by a court, arbitration panel or other legal authority of competent jurisdiction.

14. Data Protection. Providerparty shall comply with all laws and regulations applicable to the processing of personal data in connection with any transactions related to this Agreement, such as the General Data Protection Regulation (EU) 2016/679 (the "**GDPR**"), including any implementation act(s) related thereto, or any other applicable laws regulations and other legal requirements related to (a) privacy and data security, and (b) the use, collection, retention, storage, security, disclosure, transfer, disposal and other processing of personal data ("**Privacy Laws**"). Customer shall comply with the Federal Privacy Laws of the United States. Each party is responsible for obtaining any necessary authorizations and consents prior to disclosing personal data to the other party or to any third party. The terms "controller", "personal data" and "processing" used in this Section shall have the meaning set out in the applicable Privacy Laws. Either party may use personal data consisting of ordinary business contact data (e.g., name, phone number, email address, etc.) in its capacity as a controller strictly in accordance with applicable Privacy Laws in the normal course of business but only for the purpose of administration of the party's business relationship and performance of their obligations under this Agreement. Where USSTA2021 (GSA)

Customer has purchased SaaS Software and to the extent that Provider processes any personal data on behalf of the Customer through the Customer's use of the SaaS Software, the SaaS Addendum shall apply.

15. Compliance Verification.

(a) **Tracking and Self-Audit.** Customer shall maintain and use systems and procedures that allow Customer to accurately and completely track, document, and report Customer's installations, deployment, access of or provision of access to, or operation of each Product in the quantities and versions used and allow Provider to audit the same (the "**Audit**"). Customer agrees it will perform an internal audit of Software quantities in use upon Provider's request not more than once a year and will use its best efforts to keep full and accurate accounts that may be used to properly ascertain and verify numbers of licenses and authorized use. Upon Provider's written request, Customer will provide within 30 calendar days of such request audit reports (signed by an authorized representative) to Provider from Customer's internal audit records not more than once a year as the sole means of satisfying the Provider's requests for audit. Customer shall notify Provider of the software quantity no later than 30 calendar days, after the request that the Customer perform a self-audit. Customer shall provide and will require its Clients and Third Party Users to provide, their full cooperation and assistance with such audit and provide access to the applicable records and computers.

(b) **Confidentiality.** Provider agrees that any Customer information gathered during the performance of an audit shall be Customer's Confidential Information under this Agreement. Customer agrees that it will not require any further confidentiality or nondisclosure agreements to be executed by Provider or its designated agents in connection with the Audit. Prior to the Audit, Provider shall ensure that its agents are subject to confidentiality obligations at least as protective as those set forth herein.

(c) **Excess Use.** If an Audit indicates that Customer's installations, deployment, access of or provision of access to, or operation of each Product exceeds the quantity of licenses owned or is otherwise not in compliance with the scope of the license granted ("**Overuse**") then Customer will be invoiced for the over-deployed quantities at Provider's then current GSA Schedule list price plus the applicable Maintenance Service fees. All such amounts shall be payable in accordance with this Agreement. Strict performance by Customer in accordance with this provision is an express condition to all or any licenses granted in this Agreement.

16. SaaS Provisions.

(a) **Data.** Customer may store data on the SaaS Environment. Customer is solely responsible for collecting, inputting, validating, and updating all Customer data stored in the SaaS Environment. Customer represents and warrants that it has obtained all rights, authorizations and consents necessary to use and transfer all Customer and/or third-party data within and outside of the country in which Customer or the applicable Customer Affiliate is located (including providing adequate disclosures and obtaining legally sufficient consents or authorizations from Customer's employees, customers, agents, and contractors). If Customer transmits data to a third-party website or other location for access by the SaaS Software, Customer will be deemed to have given its consent and/or authorization for access by Provider.

(b) **Conduct.** When using the SaaS Software, Customer shall not: (i) use the SaaS Software in breach of applicable law and in particular Customer will not transmit any content or data that is unlawful or infringes any intellectual property rights of third parties; (ii) circumvent or endanger the operation or security of the SaaS Software or attempt to probe, scan or test the vulnerability of the SaaS Software, the SaaS Environment, or a system, account or network of Provider or any of Provider's customers or suppliers; (iii) transmit unsolicited bulk or commercial messages; or (iv) intentionally distribute worms, Trojan horses, viruses, corrupted files or any similar items. Customer shall cooperate with Provider's reasonable investigation of SaaS Environment outages, security issues, and any suspected breach of this Section.

(c) **Suspension.** Provider can temporarily limit or suspend Customer's access to the SaaS Software to prevent damages, if it is sufficiently probable that the continued use of the SaaS Software may result in harm to the SaaS Software, other Provider customers, or the rights of third parties in such a way that immediate action is required to avoid damages or Customer is in breach of the Conduct section above. Provider will notify Customer of the limitation or suspension without undue delay. If circumstances allow, Customer shall be informed in advance in writing or by email. Provider will limit the suspension or limitation in time and scope as reasonably possible under the circumstances and will promptly restore access, and notify Customer of the restoration, when the issue causing the suspension or limitation has been resolved.

Notwithstanding the foregoing, the terms of this Agreement that limit, disclaim, or exclude warranties, remedies or damages are intended by the parties to be independent and remain in effect despite any failure or unenforceability thereof. The parties have relied on the limitations and exclusions set forth in this Agreement in determining whether to enter into it.

(d) **Use by U.S. Government.** The Software is a "commercial item" under FAR 12.201. Consistent with FAR section 12.212 and, any use, modification, reproduction, release, performance, display, disclosure or distribution of the Software or Documentation by the U.S. government is

(j) **Equal Opportunity.** Provider is a federal contractor and Affirmative Action employer (M/F/D/V) as required by the Equal Opportunity clause C.F.R. § 60-741.5(a).

(k) **Headings.** Headings in this Agreement are for convenience only and do not affect the meaning or interpretation of this Agreement. This Agreement will not be construed either in favor of or against one party or the other, but rather in accordance with its fair meaning. When the term "including" is used in this Agreement it will be construed in each case to mean "including, but not limited to."

(l) **Legal Fees.** Intentionally Omitted.

(m) **Entire Agreement.** This Agreement contains the total agreement between the two parties regarding the subject matter covered herein and supersedes any other agreements, written, oral, expressed, or implied, including any confidentiality agreement between the parties. In the event of a conflict between the terms of this Agreement and the terms contained in an Order, the terms of a Signed Order or Governing Quotation shall control. For all other Orders, in the event of a conflict between the terms of this Agreement and the terms contained in an Order, the terms of this Agreement shall control.
