DLT
A TECH DATA COMPANY

Accelerating
Public Sector Growth for Technology Companies

Who We Are

As the first government aggregator, DLT makes procurement easy for government agencies by providing solutions to technology problems through our six strategic tech domains: Cloud Computing, Cybersecurity, Big Data & Analytics, Business Applications, IT Infrastructure, and Application Lifecycle. These domains are powered by DLT's strategic partnerships and robust portfolio of contract vehicles.

CLOUD COMPUTING

CYBERSECURITY

APPLICATION LIFECYCLE
