

Unlocking the Power of AWS with TD SYNnex Public Sector's Contracts

Utilizing TD SYNnex's Public Sector AWS contracts allows our Partners and their public sector Customers to greatly simplify their sales and procurement processes. These contracts, already negotiated and aligned with public sector purchasing regulations, substantially reduce administrative load. This expedites the sales cycle and facilitates prompt delivery of solutions to public sector clients. By providing a transparent, compliant, and efficient pathway, these contracts enable public sector customers to seamlessly integrate AWS's cutting-edge technologies into their operations.

Can partners use them? Any onboarded TD SYNnex Public Sector Channel Partner within the ASW channel, have access to all of TD SYNnex Public Sector's in-house prime contract vehicles, leveraging our authorized agent/dealer program or referral program.

What contracts does TD SYNnex Public Sector hold with AWS onboarded?

Contracts	Number	Customer Category	Dealers Allowed	Description
CIO-CS	HHSN316201500012w	FED		NIH CIO-CS is a 10-year, Government-Wide Acquisition Contract (GWAC) for IT commodities/solutions that can be used by any Federal civilian or DoD agency to fulfill mission critical requirements while meeting their socioeconomic goals.
CMAS	3-16-70-1047B	S&L		California Multiple Award Schedules (CMAS) offers a wide variety of commodity, non-IT Services, and information technology products and services at prices which have been assessed to be fair, reasonable and competitive. The CMAS Program creates a pool of suppliers that an agency can solicit offers from. When utilized correctly, CMAS streamlines the procurement process. This form of procurement differs from the competitive bid process.
Equalis Group Cloud	DLT Solutions contract COG-2139A	S&L	x	Equalis Group is a cooperative purchasing organization that provides contracts competitively solicited by public agencies for a wide array of products and services. Master Agreements are established through rigorous and transparent competitive solicitations conducted in accordance with public procurement guidelines.
GSA	GS-35F-267DA	FED		The Multiple Award Schedules program is the largest, most widely used acquisition vehicle in the Federal Government. Schedule 70 is an indefinite delivery/indefinite quantity (IDIQ) multiple award schedule, providing direct access to products and services from certified industry partners.
