

DEPARTMENT OF DEFENSE

DOD Enterprise Software Initiatives

The Department of Defense (DOD) Enterprise Software Initiative (ESI) program is designed to offer DOD customers with discounts based off of Government Wide Acquisition Contracts (GWACs) (i.e. GSA or NASA SEWP) pricing through negotiated Blanket Purchase Agreements (BPA) or Agency Catalog (AC). All awarded ESI BPA's are the DOD preferred method of IT procurement in accordance with the Defense Federal Acquisition Regulation Supplement (DFARS) Section 208.74.

About TD SYNnex Public Sector

TD SYNnex Public Sector is a powerhouse bringing together the strength and capabilities of three highly respected brands – DLT Solutions, Tech Data Public Sector Solutions, and SYNnex GOVSolv. With more than 75 combined years of dedication, experience and service, TD SYNnex Public Sector will operate as one specialized, fully integrated solutions aggregator committed to the U.S. public sector. With our unprecedented combination of talent, resources and capabilities, we bring unmatched opportunity, scale and advantage to our channel partners and vendors and their government end users.

TD SYNnex Public Sector does not hold any contract vehicles. The names of the legal entities that hold various federal and state contracting vehicles - DLT Solutions, LLC, Tech Data Government Solutions, LLC and TD Synnex Corporation - will remain the same at this time and will continue to operate under their respective contracting vehicles.
