

# CURATOR®

## EDUCATE

The Intelligent Content Creation, Management,  
and Deployment, Software

### Comprehensive Content Creation, Simplified.

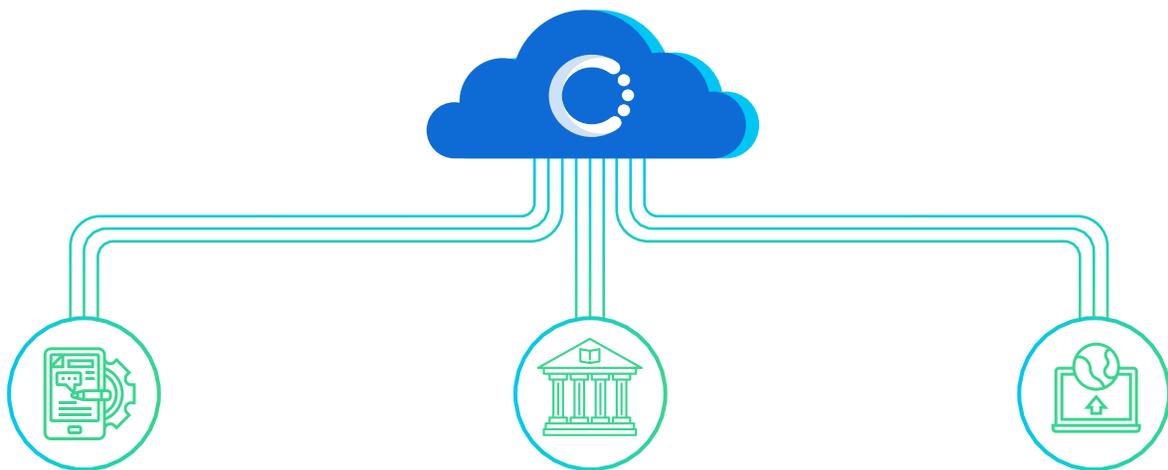

Learn how Curator Educate can help educators like you broaden your students' horizons by integrating multiple kinds of media to engage all learning types. Our team is ready to help with immediate solutions to fit your needs.

#### Key Features

- ✓ Create interesting, engaging courses with more than one kind of media.
- ✓ Create responsive content that works across all devices.
- ✓ Store your content in a cloud-based library within an organized file system.
- ✓ Tag your files so that both you and your learners can easily search for content related to your topic of interest.
