Ready for Use
System can handle millions of users as well as organizations with multi-level hierarchical structure

Self-Reporting
Ability to enforce periodic or daily mandatory, time-bound self-screening reports with color-coded badge

Contact Tracing
Keeps track of granular information of locations over time to perform:
Contact Identification
Contact Listing
Contact Follow-up

Situational Awareness
Easy view of COP (Common Operating Picture)

Audit Trail
System records any updates on cases on hand

Alert and Notification
Notifies appropriate personnel and users in real time and based on location
