No Migration Competency Required: Partner Success Amplified with MAP

Introducing TD SYNNEX Public Sector's gateway to the AWS Migration Acceleration Program (MAP), meticulously crafted to meet the unique demands of public sector entities. Delve into a realm of unparalleled expertise as we join forces with AWS to present our partners with a robust solution designed to expedite the migration journey. With a wealth of best practices, tailored guidance, cutting-edge tools, and enticing financial incentives bundled into this program, we pave the way for public sector organizations to seamlessly embrace cloud technology. Experience a revolution in innovation, data management, and operational excellence as we empower you to harness the full potential of the cloud with MAP.

MAP Methodology

ASSESS → **MOBILIZE** → **MIGRATE & MODERNIZE**

Portfolio — Migrate

Rapid discovery — TCO report — Migration Readiness Assessment

Accelerators

Briefings & workshops — Immersion day

Discovery & planning — Migration plan — Business case/ Mig. Evaluator — Migration & modernization experience

Skills/center of excellence — Landing zone — Operating model — Security & compliance

People — Platform

Migrate — Operate & optimize — Modernize

Create a case for change — Build readiness through experiences — Accelerate transformation at scale
