

The advanced payroll solution for higher education's ERP needs

Anthology® Payroll helps colleges and universities streamline their payroll processes, reduce costs, gain insight into personnel costs, and improve payroll accuracy by extending the ERP capabilities of Anthology® Finance & HCM specifically for higher education.

Anthology Payroll enriches Anthology Finance & HCM with robust payroll capabilities that empower colleges and universities to manage and streamline their payroll. Built on the Microsoft Dynamics 365 for Finance and Operations platform, the advanced payroll solution handles the entire pay process from receiving time to calculating gross and net pay, through issuing checks and direct deposits and posting to the general ledger. It features comprehensive calculations for earnings, benefits, deductions, and withholdings—federal, state, and local for US and Canada—while still being flexible enough to allow last-minute adjustments and handle exceptions and complex business rules.

Anthology Payroll offers:

- Advanced payroll management across multiple locations and legal entities designed to meet your higher education needs
- Seamless workflow in connection with Anthology Finance & HCM, delivering a complete higher ed ERP solution
- Data-sharing and reporting across the Microsoft Dynamics 365 Finance and Operations platform
- A more connected payroll service for your campus's staff and faculty with self-service features to keep employees up-to-date
- End-to-end automation of cost posting, employee record updating, vendor payment, and project labor costs
- Simplification of compliance with payroll statutory withholding and reporting requirements in the United States and Canada

Anthology Payroll: Part of the complete Anthology Student ERP + SIS solution

Anthology offers a comprehensive enterprise resource planning (ERP) solution that seamlessly integrates with our student information systems (SIS) solution. You can start by modernizing your school's business operations with a flexible, cloud-based student system and then opt to extend that implementation to include higher education-specific ERP capabilities when the time is right. You can purchase the complete ERP solution that includes Anthology Finance & HCM plus Anthology Payroll or select only the individual components that are right for your organization.
