Licensor (or its licensor) retains all right, title, and interest in the Software (and in all copies). Unauthorized copying and modification of the Software is not permitted.

Licensee acknowledges that the Software may contain license management functionality, including but not limited to node-locking, user counting, expiring licenses, silent activations (with or without user intervention) and the like. Licensor asserts that its use of such license management functionality is generally limited to ensuring adherence to its license agreements/models and not generally for purposes of "self-help."

4. <u>Limited Warranty and Disclaimer of Warranty</u>**.** Licensor warrants that the Software, as provided, will substantially perform the functions described in the documentation when operated in the intended environment for a period of ninety (90) days from the date of delivery (the "Warranty Period").

6. <u>Maintenance Services</u>. If ordered by Licensee and upon payment of the applicable fee, Licensee will be entitled to receive technical support services, including corrections, fixes, and enhancements to the Software that may be made

generally available (the "maintenance services") from Licensor in accordance with Licensor's then-current maintenance terms for the applicable maintenance level purchased by Licensee.

9. <u>Termination</u>. Licensee's license may be terminated by Licensor if (a) Licensee fails to make payment and/or (b) Licensee fails to comply with the terms of this Agreement within ten (10) days after receipt of written notice of such failure. In the event of termination, Licensee must cease using the Software, destroy all copies of the Software (including copies in storage media) and certify such destruction to Licensor. This requirement applies to all copies in any form, partial or complete. Upon the effective date of any termination, Licensee relinquishes all rights granted under this Agreement.

10. <u>Relationship of Parties</u>. Licensee and Licensor are independent parties. Nothing in this Agreement shall be construed as making Licensee an employee, agent or legal representative of Licensor.

Licensee will make all payments of fees to Licensor free and clear of, and without reduction for, any withholding taxes; any such taxes imposed on payments of fees to Licensor will be Licensee's sole responsibility and consequently the amount of such fees will be increased such that the net fee received by Licensor will be the same as if such withholding taxes were not imposed, and Licensee will provide Licensor with official receipts issued by the appropriate

taxing authority, or such other evidence as the Licensor may reasonably request, to establish that such taxes have been paid.

16. <u>Verification/Audits</u>. 18. <u>Entire Agreement.</u> This Agreement constitutes the complete and entire understanding and agreement of all terms, conditions and representations between Licensee and Licensor with respect to the Software and may be modified only in writing by both parties. No term or condition contained in Licensee's purchase order will apply unless expressly accepted by Licensor in writing. Failure to prosecute a party's rights will not constitute a waiver of any other breach.

If any provision of this Agreement is found to be invalid, it will be enforced to the extent permissible and the remainder of this Agreement will remain in full effect. This Agreement has been written in the English language and Licensee waives any rights Licensee may have under the law of Licensee's country or province to have this Agreement written in any other language.
